

Software Development Project Manager – DocuPal Demo, LLC

Location: 23 Main St, Anytown, CA 90210

About DocuPal Demo, LLC:

Located in a vibrant tech hub with state-of-the-art facilities, DocuPal Demo, LLC, is dedicated to innovation and efficiency in product development. We foster a collaborative atmosphere where employees can thrive and make a significant impact.

Role Overview:

We are seeking a highly motivated and experienced Software Development Project Manager to lead and manage our software development projects. This role is crucial for driving innovation, ensuring timely delivery, and maintaining high-quality code, directly impacting customer satisfaction and market competitiveness.

Key Responsibilities:

- Plan and execute software development projects efficiently.
- Manage development teams and allocate resources effectively.
- Ensure code quality through rigorous reviews and testing processes.
- Collaborate with Product Management, QA, Design, and Marketing teams to define project scope and requirements.

Required Skills and Qualifications:

- Bachelor's degree in Computer Science or a related field.
- PMP or similar certification is preferred.
- Proficiency in Java, Python, and Agile methodologies.
- Excellent communication, leadership, and problem-solving skills.

Benefits:

- **Financial:** Competitive salary and performance-based bonuses commensurate with experience and industry standards.
- **Non-Financial:** Comprehensive health benefits, paid time off, and professional development opportunities.
- **Work Environment:** Hybrid work model, combining the flexibility of remote work with the benefits of in-office collaboration.

Career Advancement:

Opportunities for advancement include roles such as Senior Project Manager, Program Manager, and Director of Engineering. We offer comprehensive training programs and mentorship opportunities to support your professional growth.

Application Process:

After submitting your application:

1. Initial screening interview.
2. Technical interview.
3. Final interview with the hiring manager.
